

Instruction for setting up Deltamath Student account:

- 1) Go to www.deltamath.com and create a new student account.
- 2) On the top right corner, click "Create Account", then choose the "Student" option from the drop-down menu
- 3) Enter the following teacher code: **923393**
Once you entered the code, you should see the exact information such as a teacher's name and students login information.
- 4) Select the correct class by period (period 1, perio2, period 3 etc...), and enter the information
- 5) You must put the FIRST and LAST name that matches your school records
- 6) Enter your email as FRISTLASTNAME@INFOTECHHS.NET and enter your student's ID as a password
- 7) Click "Create account" on bottom of the page.
